OM SRI LAXMI NRUSIMHAYA NAMAH

To,
The Hon Narendra Modi je, hon Kisaan Union Leaders , hon Media Editors, hon Anna datas
etc

India.

Namaste je,

Ref ; kisaan Andolan Gaziapur New Delhi.

Sub ; Presentation of solution by veera venkat rmy Visakhapatnam. - 16012021.

With reference to the kisaan Andolan at New Delhi regarding withdrawal of the three farm bills and to implement MSP which has reached a dead lock with no compromise at sight Andolan running since 70 days - Veera Venkat rmy a resident of Visakhapatnam who penned " FARM FRIENDS " during 2014 and registered in USA, which was also upgraded during April 2020 and again got it Re-registered has submitted the copies to kisaan union leaders RAKESH Tikait on 16012021 at Gaziapur kisaan Andolan stage along with 5 Supreme Court Advocates

Deepak singh
Kanhaiya Chaurasia
Santosh Kumar Sahu
Hemant Shukla
Sunny Kumar.

Explanation of Subject :-

When problems arise we have to think of a solution . During a grave problem like this which confuses from all sides, having suffered from 70 years the farmers are in desperate non thinking stage. Intellectuals must show the solution path.

During 2017 when digital india revolution was started all thought it would be a great failure but in 3 years by 2019 digital marketing has reached 19000/- crores. So why can't we, let's start let's save our kisaan.

Let the kisaan Andolan continue because they have genuine demands. Same time parallel we have to start this and teach the farmers that there is another way also to sell fasal.

Eg ; One goes to market to buy Clothes he may buy as he likes Reliance Or Raymond or Bombay Dying etc his wish. Similarly let Wall Mart or Reliance or Big bazaar sell along with them let our kisaan also sell his yield in business competition is common how can hon Modi say no.?

Today Courier services are so well developed in India from JK to kanyakumari, from Mumbai to Calcutta within 48 hours goods are being transported so definitely we can serve our kisaan products.

When viewed from long this is a very big gigantic complex subject but with God blessing I had well planned slowly step by step the solutions solves all the problems. The writer veera venkat rmy is adept at writing global gigantic solutions. Eg

Mata Ganga river water purification without killing any living being with least expenditure. Can be applied to any river globally.

Tirupati balaji hassle free darshan which also increases income multifold as per vaikanasa agama sastra with and without technology.

Mecca anti stampede solution with and without technology.

A three years financial project to reform and make India one of the richest country in the world.

If all the 41 kisaan unions step forward and help me this will turn into a great successful savior of kisaan, best business to kisaan,, employment to kisaan, relieve government from troubles and into profits to all.

Provided - As per Dharma and Satya without cheating the writer owner veera venkat rmy.

(Countries and people who infringed Veera venkat rmy AADHAAR, UID,FRT,(2003) etc have turmoiled even the richest nations have sunk into moutain of debts with no way out).

(Bollywood which also has infringed his subjects made fun of the writer has suffered later - Sanjay Dutt - was jailed

Hrithik Roshan - wife divorced kids left

Deshmukh - faded out

Sharuk khan - one year no shooting, Ravan utter flop

Abhishek bachaan- faded out.

Kamal Hasan - wept with tears in front of media lost everything.

Rajinikanth - hospitalized with no producers around for long.) Etc

Knowledge which is God blessed is for Global peace and Prosperity.

Thanking you

Veera venkat rmy
